## President's Column

COL (Ret) Al Freeland

President -2th Cavalry Regiment Association

A Company, 2d BN, 12th Cavalry, 1968-1969

12th Cavalry Regiment Troopers,

Hope all had a great Christmas and survived the winter! In Kentucky we received the most snow and coldest temperatures in 10 years-nothing like our Boston friends but big for us.

Time is close for the 68th Annual 1st Cavalry Division Reunion in Ft. Hood, TX.; would like the 12th Cavalry Regiment to set an attendance record for this great time to meet and support active duty 1-12/2-12 Cavalry Troops. I hope we have increased attendance of Desert Storm, Iraq, Afghanistan Veterans to hear their experiences. Make reservations now; last day of reunion we celebrate the Army's 240th Birthday and Flag Day. On heels of Division-10th Annual 12th Cavalry Regiment Association Reunion-Branson, MO 9-13 Sep.; Thomas and Terry are working to make this event "bigger and better".

COL (Ret) JW THURMAN, DSC Recipient Vietnam passed to Fiddlers Green last month. A Veteran of 3d BN, 12th Cavalry, Armor/Cavalry Officer respected by his peers, retired from the US Army Armor School, Ft. Knox, KY. An active member of American Legion Post 113, Elizabethtown, KY, he again served with devotion. JW stopped short an impostor's career making speeches around the country claiming to be a DSC Recipient. He saw through the guy's story, got the right people involved, forced the fraud to renounce his claim, cease and desist. A SALUTE to JW!

In February 2015 Army Magazine, an article titled "MacArthur Unleashes 1st Cavalry on Manila", by Lt. Gen. Daniel P. Bolger, former Commanding General, 1st Cavalry Division, is recommended for your reading. To keep informed on the current state of our Military I recommend the book "This Kind of War" by T.R. Fehrenbach; a history of the Korean War, outlines what happens when you enter a conflict unprepared in training, weapons, intelligence, and not appreciating your enemy. I believe this book should be mandatory reading for all leaders-civilian and military. Point is-there should be "No more Task Force Smith's" as quoted by GEN (Ret) Gordon Sullivan.

I look forward to seeing all in June at Ft. Hood/Killeen.

**OVERVIEW 10 YEARS BRANSON REUNION: 1st Year June 2006 Settle Inn-46 Troopers and Spouses attended;** idea came about June 2005 Hospitality Room Division Reunion Killeen-Terry Combs, Mike barber, Frank Greenleaf, Jim Stokely, and Thomas Crabtree gabbing at a table-Terry said we 'aught to have a B Company Reunion.; everybody said Yeah-I said why not 1/12-Troops said Yeah! Terry reconned Branson, made contacts with Settle Inn, CHERIE CHITWOOD. and some shows. Next Newsletter announced there will be a 1/12 Reunion Branson, MO June 2006. That get together we decided to try it one more time; **2-12 Trooper asked if they were welcome, we said Yeah!** All agreed on Branson in September to avoid vacation rush crowd-better prices-humidity not as heavy. **2d Year 2007-108 Troopers-Spouses Present;** again, all decided on Branson-Settle Inn; **3d Year 2008 saw 130 attendees.** We hit a glitch-Our Brother who handled registrations 1st 2 years called night before Wednesday Kickoff, informed me he did not have the monies. Wednesday those of us involved in putting it together discussed how this effected everybody who registered and were on their way to the reunion. We covered the shows and banquet costs due at that time; Saturday Night Banquet we explained the scenario. The ALWAYS READY 'BAND OF BROTHERS' stepped up, pitched in just as we all did in the jungles. We thought the incident might sink the 4th Year; all agreed to try it again. **Doug Warden took responsibility for registrations-4th Year 2009-118 present; 5th Year 2010-140 present; 6th Year 2011-CHERIE went to The Welk, we booked there-largest turnout yet -195! ONE QUESTION ASKED IS-WHY DO WE BOOK WITH CHERIE CHITWOOD ?ANSWER: SHE TAKES GOOD CARE OF US! EXAMPLES-Last Year 2014-Had 'The Wall' set up in September for OUR ROLL CALL CEREMONY, normally not done until November. THIS YEAR-SATURDAY 12th 900AM to 400PM LADIES SPA DAY! TDC (Terry) and TLC (Thomas) think it is a good deal-feedback from those we've relayed this to CONFIRMS IT! DOUG WARDEN is still part of the committee but has taken a well earned break from registrations, being processed by THOMAS CRABTREE this year. I might add; DOUG, befitting of 12TH REGIMENT ASSOCIATION VP; was 2d Registrant for this year after JIM STOKELY DIVISION ASSOCIATION PRESIDENT. SINCE THE WINTER SNOW LOG JAM HAS MELTED REGISTRATIONS ARE COMING IN. WE ARE EXPECTING 200 THIS YEAR-TROOPERS-SPOUSES-FAMILY-OTHER GUESTS! TROOPERS-REACH INTO THOSE SADDLE BAGS-SEND REGISTRATIONS VIA DRONE, SNAIL MAIL, UPS, PONY EXPRESS AND RIDE INTO LZ BRANSON PREPARED FOR A GOOD TIME! **GREETINGS TO ALL TROOPERS and FAMILY!**

Hope all made it through the Winter okay and you look forward to a warm and bright Spring! The 68TH Division Reunion is upon us 10-14 June in Killeen-Ft. Hood. It will be good to see the 'band of brothers' of the 12th Cavalry and join with the active duty troopers, Thursday the 11th during open time of the reunion schedule. **WE SALUTE ALL OUR YOUNG ACTIVE DUTY TROOPERS, who we know are "ALWAYS READY" to carry out their assigned missions in times of "War and Peace" !**

CSM 1-12 is creating a Historical Reflections "Day Room" at Battalion Headquarters and asks people bring any type memorabilia you might want to donate to the project. **HEADS UP-DO NOT BRING YOUR AKs-LIVE AMMO-or-CLAYMORES.** Relics you may have from time in country you think would reflect the unique story of our regiment history are sought. So, "dig into those old saddle bags and dusty foot lockers to help seal the legacy of our heritage".

Sylvia and I are recovering from our medical disruptions of the past year and look forward to seeing all at Ft. Hood. A parting thought remember ; "Character-Honesty-Respect Generate Excellence. Knowledge of what is possible is the beginning of happiness; Always set a good example-you can never go wrong"!

**INSERT NOTES**

In the Movie 'Forrest Gump', there is a scene where Jenny has come home; She and Forrest are out walking as they come upon her father's house Jenny picks up rocks, starts throwing them at the house hoping to knock it down, only succeeds in breaking a window. She falls to the ground crying and Forrest in his inimitable wisdom comments-"sometimes I guess there just 'ain't' enough rocks"! WELL-in my WORD-PUBLISHER PROGRAM used for this Newsletter sometimes there 'ain't' enough space to accommodate all the words that need to be written (so it seems). Some add end notes to page 7-OVERVIEW 10 YEARS BRANSON REUNION need be said!

Our Brother spoken of who went off the main trail, did an outstanding job the 2 Years he was Reunion Registrar and contributed in many other ways; It is unfortunate he went the wrong path. BT crossed over to FIDDLERS GREEN July 2014.
